

Honeycombs of honeycombs in the Hexagon!

#30DayMapChallenge 2023 Day 9 – Hegaxons

geoffrey.caruso@uni.lu with RStats. Data: DGAL, Declaration des ruches, 2022

Mapping process: 'Departement' scale total colonies, re-shuffled randomly into dots within 'departements', then hex-binned.

Honeybee colonies density per French Departement

geoffrey.caruso@uni.lu (Data: DGAL, Declaration des ruches, 2022)
